International College Experience in Europe

- All Degrees are US accredited
- International student and faculty body
- International applied learning, internships and study abroad opportunities
- Small size classes
- Programs are in English but students can learn other foreign languages during their studies
- Strong campus support to students
- Active student life (travel, sports, cultural and social activities)
- Opportunity to travel in Europe and experience a wealth of different cultures, gastronomy, arts and heritage
- Strong global alumni network as well as solid international industry connections

The American
University
of Paris

American University of Paris (AUP)

AUP is a private, urban, liberal arts American university located in the same neighborhood as the Eiffel Tower

Students come to AUP from 100 countries, and faculty are from over 20 countries. Classes are cross-cultural, discussion-based, and interdisciplinary. The student to faculty ratio is 8:1, and the average class size is 16

Students embark on study trips where they travel all over the world with their professors and classmates to apply what they've learned in the classroom to a real life setting

With 20,000 alumni living in 145 countries worldwide, AUP prepares students for a global career

Degrees

- 4 year Bachelor degree programs: 26 majors and 37 minors in Business, Politics, Communications, Arts, and Humanities fields
- Graduate programs offered in 5 core fields: Diplomacy & International Law, Global Communications, International Affairs, Management and Human Rights & Data Science
- 94% of students are employed or in graduate school within 1 year of graduation
- 80% of students report having an international element to their career

Franklin University Switzerland

Franklin is a small, private, American liberal arts University located in Lugano, Switzerland

Students receive an American and Swiss degree, fully accredited in both countries

There are ~400 students on campus and approximately 55% come from the United States. The other 45% come from all over the world. We boast over 50 nationalities on campus and over 30 different languages spoken

Franklin is well known for its Academic Travel program, in which all students travel to a different country for two weeks with their class every semester

Degrees

- 4 year bachelor's degree, 3 year expedited bachelor's degree program, 1 year master's programs and a 2+2 and 3+1 program with Emerson College in Boston, MA
- Study abroad, Freshman abroad, Gap year and summer programs available
- Over 20 different majors and minors including: Art History and Visual Culture, Communication and Media Studies, Comparative Literary and Cultural Studies, Environmental Studies, Fashion Studies, French Studies, History, International Banking and Finance, International Economics, International Management, International Relations, Italian Studies, Literature, Political Science, Pre-Health Sciences, Psychology, Social Justice and Sustainability, and Visual Communication Arts

Glion, Switzerland & UK

Glion Institute of Higher Education, founded in 1962, is a small private school located in Switzerland and London, UK.

Glion is firmly established among the world's finest education institutions specializing in hospitality business and luxury management. As a Glion student you will benefit from an applied business education that combines academic rigor, hands-on practical skills and professional internships. In the classroom, you will be guided by experienced faculty, using the latest learning technology to make you an independent, lifelong learner. Upon graduation, the industry knowledge, leadership skills and real-world experience you have acquired will open doors to the most selective employers, for whom these are prized attributes. And when you graduate, you'll be in demand: 95% of our career-seeking students have one or more job offers upon graduation.

Degrees

- Bachelor's (BBA) in International Hospitality Business - fully US accredited. This 3.5 year program includes two professional internships, plus specializations in Luxury Brand Management, International Events and Hotel Development & Finance.
- We offer a 4+1 option to obtain Bachelor's and Master's degrees in 5 years
- Master's programs include internships and global business study trips
- World ranked as top three, employer reputation under QS World Ranking 2020
- Study abroad locations include Spain, China or London
- Summer programs available at all campus locations, with 1-week or 2-week options offered. Programs include academic previews, local field trips and cultural immersion

John Cabot University, Italy

JCU combines the best qualities of an American liberal arts college with the history and cultural heritage of the Eternal City

1,400 students from over 80 countries, Average of 15 students per class

The Center for Career Services is dedicated to helping students and alumni prepare for and successfully enter the workforce. 661 partner companies and a representative areas of employment

Human Resources and Education, Digital Innovation, Art History, Creative Writing and Journalism, Communications and Marketing, Politics, International Affairs, Activism, Law, Finance and Management

◆ Les Roches

Les Roches, Spain & Switzerland

Les Roches is a private school with 3 campus locations in Switzerland, Spain and China. Les Roches is consistently ranked in the top three globally for employer reputation (QS world rankings) and students receive multiple offers for internship and graduation placement.

Founded in Switzerland in 1954, Les Roches holds US accreditation and offers English instructed, three-and-a-half-year Bachelor's degree programs that include two six-month international internships. The student body is highly international, with more than 90 nationalities represented, while average class sizes are of 20 students.

The unique learning environment and campus facilities ensure our students are career ready with both practical and theoretical education that embraces the digital world and cutting-edge technology. Each campus now hosts an incubation business development hub. We deploy the Swiss model of hospitality education to build experiential, hands-on learning into the fabric of the study programs we offer. As a school with innovation and entrepreneurship in our DNA, we seek students that innovate, lead and inspire.

Degrees

- 3.5 year Bachelor of Business Administration in Global Hospitality Management with specializations in entrepreneurship, marketing, resort management and finance. Post Graduate Diplomas, Master's and MBA programs include internships and global business study trips
- Study abroad highly recommended and incorporated into BBA program. Locations include Switzerland, Spain, China or London
- Summer programs available at all campus locations, with 1-week or 2-week options offered. Programs include academic previews, local field trips and cultural immersion
